UGANDA / PREMIUM NILOTICA SHEA BUTTER

OKERE SHEA COOP

Export Profile

Raw, unrefined. Cold-pressed in Northern Uganda.

Okere Shea Cooperative Society Limited supplies premium Nilotica shea butter from the shea parklands of Otuke and Agago. We connect international buyers with locally processed butter, women collectors and a landscape worth conserving.

23 METRIC TONNES

Shipped to the USA in October 2026

A 40-foot container of premium Nilotica shea butter, sourced through 1,000 women collectors in Otuke and Agago.

OUR SHEA. OUR SHARED WEALTH.

Founded in 2020, Okere Shea combines rural enterprise with women's livelihoods and shea regeneration. Our butter carries a direct connection to the people and places behind the ingredient.

A project of Okere City

An ingredient with a clear origin.

PRODUCT	Premium Nilotica shea butter
BOTANICAL SOURCE	Vitellaria paradoxa subsp. nilotica
COUNTRY OF ORIGIN	Uganda
SOURCING DISTRICTS	Otuke and Agago, Northern Uganda
PRODUCT GRADE	Raw, unrefined shea butter
EXTRACTION	Mechanical cold pressing, followed by filtration
PROCESSING LOCATION	Okere, Adwari Sub-county, Otuke District
BUYER FIT	Cosmetic ingredient buyers, formulators, distributors and brands developing skin, hair and body care products.

FROM KERNEL TO PACKED BUTTER

Kernels received in sacks are washed, sorted and graded, dried and stored, then cold-pressed. The extracted butter is filtered, packaged, weighed, batch-coded and labelled before finished-product storage and dispatch.

AGREE THE SPECIFICATION BEFORE ORDERING

Request a sample and agree product specifications for your intended use. Colour, aroma and consistency should be assessed against the sample; analytical limits, testing requirements and any destination-market documentation should be confirmed before purchase.

Build a direct supply relationship.

PROCESSING CAPACITY	Reported capacity: 2 metric tonnes per week. Available stock and the production allocation for each order are confirmed at quotation.
MINIMUM ORDER	One 18 kg bucket. Confirm bulk packing options and shipment configuration when requesting a quotation.
EXPORT EXPERIENCE	Exports to the USA since 2025, including the 23 MT shipment dispatched on 18 October 2026.
COMMERCIAL TERMS	Product price: US$7.20 per kilogram. Packaging inclusions, payment terms, lead time, freight, insurance and delivery terms are confirmed for each order.
DOCUMENTATION	Company registration, certificate of origin and phytosanitary documentation have been shared with prospective buyers. Confirm the documents required for each destination and consignment.

WOMEN, ENTERPRISE AND LIVING SHEA LANDSCAPES

Our sourcing network links women collectors to value addition in Northern Uganda. Alongside processing and trade, Okere Shea supports shea seedling production, planting, farmer training and the protection of existing trees.
